THE MINISTER OF EXTERNAL AFFAIRS (SHRI PRANAB MUKHERJEE): (u) The Government are aware of (he traditional rights of Indian fishermen for access and pilgrimage, as guaranteed under (he Indo-Sri Lankan Agreement of 1974. These traditional rights include access to Kachchalivu for resting, drying their nets and attending the annual St. Anthony's festival. These tradilional rights, however, do not include the right to fish in and around Kachchativu.

(b) The fulfilment of the traditional rights of Indian fishermen has been in abeyance since I9§3 due to adverse security conditions in the Palk Straits. From (ime lo time, the Government have pointed out lo Sri Lanka Government that our fishermen would like to enjoy these rights in an unhindered manner. The Question of (he restoration of traditional rights of Indian fishermen for access to Kachchalivu area, as guaranteed under the Indo-Sri Lanka Maritime Agreements of 1974 and 1976, remains under discussion between the two Governments.

Infected wastes discharged from hospitals and nursing homes

*207. SHRI JAGMOHAN: Will the Minister of ENVIRONMENT AND FORESTS be pleased to stale:

(a) whether Government arc aware of the rising menace of solid waste, particularly Ihc infected waste from hospitals and nursing homes;

Report of the Human Rights Commission on Atrocities in Punjab

*210.SHRI TRILOKI NATH CHATURVEDI:
DR. MURLI MANOHAR JOSHI:

Will the Minister of HOME AFFAIRS be pleased to slate:

(a) whether Government's attention has been drawn by the Human Rights Commission to a large number of cases where innocent persons in Punjab were killed by the Security Forces and also cases of sufferings caused by the police atrocities and if so, the action taken on each case so far; and

(h) whether the Human Rights Commission has suo moio taken any action on the cases of human rights violation in Punjab or elsewhere in 1994 and so far in 1995 and if so, the details thereof?

THE MINISTER OF HOME AFFAIRS (SHRI S.B. CHAVAN): (a) As per available information the National Human Rights Commission has received no complaint of innocent persons in Punjab having been killed by Ihc Security Forces. The Commission had, however, till 30 June, 1995, received 215 complaints against Punjab Police alleging violation of human rights. These include cases of custodial deaths, disappearances, illegal detentions and other police excesses. These complaints have been takan up by the NHRC with the Government of Punjab.

(b) The National Human Rights Commission has taken cognizance suo motu in respect of 43 cases of reported human rights violations in Punjab till 30 June, 1995 These include 19 cases of alleged custodial deaths and 24 cases of other alleged police excesses. Out of 19 cases of alleged custodial deaths, reports have been received in 9 cases, and NIIKC" proceedings in respect of one has been concluded Reports are awaited in the remaining 10 cases. As for (he cases of alleged police excesses, report has been received in one case. The Commission is persuing the remaining cases with Stale Government

Elsewhere in the country, the Commission has taken suo motu action in 324 eases of alleged human rcights violations till 30 June. I9y.5. The cases include allegations ccrlaining lo jail conditions, police excesses, child labour, indignity lo women, misuse of TADA Act, custodial deaths, custodial rape and others. Reports have been received from the concerned authorities in 173 cases of which NHRC proceedings in respect of 70 cases have been concluded. Reports arc awailed in 151 cases which are being persucd by the Commission.

UN Climate Conference held in Merlin

*211. SHRI SANJAY DALMIA:
SHRI MOOLCHAND MEENA:

Will the Minister of ENVIRONMENT AND FORESTS be pleased to stale the stand Indian delegation took to Ihc proposed German Protocol lo Ihc convention bracketing India, with the developed countries for limiting green house gases at ihc UN Climate Conference held in Berlin?

THE MINISTER OF STATE OF THE MINISTRY OF ENVIRONMENT & FORESTS (SHRI KAMAL N^TH): India reiterated the principles contained in the Framework Covcnlion on Climate Change with specific reference lo Ihc principle of common hut differentiated responsibilities, and respective capabilities lo protect the climate system. Further, India emphasised the point that the per capita emissions in the developing countries were still relatively low and that the share of global emissions originating in developing countries is bound to grow to meet
